
A page worth keeping

OmniKit original practice document / 01

This page is a synthetic scan, not a customer document.

Compare small text, edges, and pale lines after compression.

Keep the original when you need to preserve fine details.

Reference code: OK-2026-0905. Amount: 123.45.

OCR check: O and 0; I and 1; decimal points and commas.

Small print: the file can get smaller while losing useful detail.

Made for reuse in OmniKit examples. No personal information.
