
A page worth searching

OmniKit original practice document / 02

This PDF contains selectable text rather than a page image.

Search for the reference code before and after compression.

Reference: OK-2026-0905. Amount: 123.45.

Rasterizing a small text PDF can increase its file size.

The visible letters may remain, while text search disappears.

Retain the original for copying text or later editing.
